

Medication Management Referral Instructions:

- 1. Please complete the Medication Management Referral Form.
 - a. The medication Management referral form is located online at www.newoutlookcc.org under the forms tab.
- 2. Please attached the following documents to the completed referral form.
 - a. Last lab results
 - b. Pharmacogenomic test, aka Genesight (if applicable.)
 - c. The last 3 chart notes, and initial evaluation. (send applicable info)
- 3. Send the completed referral via email to btownoffice2@newoutlookcc.org or via fax to (888) 789-8394.
- 4. Instruct patient to call in a few business days after referral is sent to ensure that it was received.
- 5. Once our team reviews the referral, the Medical Assistant will reach out to the patient to complete paperwork and schedule. If referral is denied, the referral will be sent back to the referral source.

Thank you,

Medication Management Team
